***Please be aware of the following change to security procedures at our location (the GAO Building, 441 G Street NW, Washington, DC). To improve security and efficiency, G Street will become the single designated visitor entrance/exit to GAO Headquarters effective Monday, October 20. All visitors and non-GAO personnel not in possession of a GAO access badge, including those on access lists for the fitness center and cafeteria, will be required to enter and exit through the G Street lobby. The H Street entrance will no longer process visitors.**
