- Q1. The Board is proposing to rescind Statement of Federal Financial Accounting Standards (SFFAS) 8, *Supplementary Stewardship Reporting*, in its entirety. SFFAS 8 designated the required supplementary stewardship information (RSSI) category for reporting stewardship investments; therefore, rescinding SFFAS 8 would eliminate the RSSI category and reduce confusion caused by the unique category designation. Refer to paragraph 2 and Appendix A, paragraphs A1-A3.

Do you agree or disagree with the Board's proposal to rescind SFFAS 8 and eliminate the RSSI category? Please provide the rationale for your answer.

HHS Response: HHS agrees with the Board's approach for eliminating the RSSI category. This approach aligns with the President's Management Agenda, Cross-Agency Priority Goal #5, Sharing Quality Services.

- Q2. Reporting entities have broad responsibilities and are called upon to report their goals, accomplishments, and costs in management's discussion and analysis (MD&A). For some reporting entities, stewardship investments are significant and warrant discussion in the MD&A. The Board believes reporting entities will present information on

stewardship investments in the basic financial statements and MD&A when such activities are significant. No guidance or requirements are proposed in this exposure draft (ED), but the Board may propose requirements in a later ED. Refer to Appendix A, paragraph A4.

Do you agree or disagree that guidance is needed in the future? If so, please provide your suggestions regarding future guidance. Please provide the rationale for your answer.

HHS Response: If the Board decides to require the current RSSI information in the MD&A section, HHS believes that additional guidance would be beneficial.

- Q3.** SFFAS 54, *Leases: An Amendment of SFFAS 5, Accounting for Liabilities of the Federal Government, and SFFAS 6, Accounting for Property, Plant, and Equipment*, amended the lease standards in SFFAS 5 and 6, including references to “capital” and “operating” leases. SFFAS 5, 6 and 49 include references to language amended by SFFAS 54. These proposed amendments further clarify the revised lease accounting standards by eliminating outdated references used in the standards. Refer to paragraphs 3-12.

Do you agree or disagree with the proposed amendments to SFFAS 5, 6 and 49? Please provide the rationale for your answer.

HHS Response: HHS agrees with the Board’s efforts to realign earlier SFFAS standards with the new requirements in SFFAS 54 in order to avoid any confusion.
