

Hi Wendy,

Thank you for the opportunity to review and comment on the FASAB exposure draft proposing Definitional Changes Related to Deferred Maintenance and Repairs: Amending Statement of Federal Financial Accounting Standards 6, Accounting for Property, Plant, and Equipment. Generally, EPA agrees with the document and we have no further comments.

Please let us know if you have any questions.

Feel free to contact either me at jones.anita@epa.gov or Dale Miller at miller.dale@epa.gov of the Financial Policy and Planning Staff.
